Two of the greatest purifiers in the world are the sun and water, and on both depend life.

There is another great purifier—a purifier of the blood—known as Prescription C-2223. For years this Prescription was used by a successful physician in his private practice. He found that this particular formula gave the best results to those of his patients who were suffering from some constitutional blood disease. In time this doctor made quite a reputation both for himself and the treatment which he used; today, thousands of bottles are bought each day by druggists to supply the demands of those in need of this meritorious preparation.

In the treatment of chronic rheumatism, catarrh, serofuls and other similar diseases of the blood, Prescription C-2223 has given relief to thousands. Despairing, helpless sufferers have secured benefit from this liquid prescription where all other advice and treatment had failed.

If you are suffering from a condition caused by bad blood, or you fear that the poisons and accumulations have never been eliminated from your blood, you should begin now and take the Prescription C-2223 Treatment. This liquid preparation contains no morphine, cocaine, strychnia, chloral or

mercury; on the other hand it is composed of certain medicinal ingredients, all of which are well known to medical authorities as being very effective in the treatment of rheumatic and blood troubles. The very best materials and the greatest care are exercised in the proparation of this splendid treatment, so that you can be sure that if you follow the directions given as to its use, you will be greatly benefited, if not permanently relieved.

In the treatment of rheumatic and blood diseases, it is important that the liver be active. To stimulate, raiseve constipation and keep the bowels in a healthy condition, 2223 Liver Pills are especially recommend. They do not nauscate and can be used by those who cannot stand a dose of calomel or other drastic purgatives.

used by those who cannot stand a dose of calomel or other drastic purgatives.
